

VISTA

BLACKOUT FABRIC

Vista - Exclusively from Rollease Acmeda

Vista is a beautifully woven blackout fabric with an intricate pattern to complement any interior décor. Vista is made from 100 percent polyester with an acrylic coating.

Available in 6 beautifully textured colors, Vista can add a fresh new look to generate a wide range of design possibilities using Roller Shades, Roman Shades or Panel Track systems. Vista features a white backing to create a uniform appearance from the exterior.

FEATURES

- Jacquard weave with subtle color for contrast
- Available in 6 colors
- White backing
- Acrylic foam coating
- Can be used on Roller, Roman Shades, and Panel Track
- PVC-free

Vista is a textured blackout with a wide range of design possibilities.
